

When selecting a school for your child it is often difficult to compare apples with apples. Since we provide such a unique value offering we put together a comparison to assist in your decision making.

**EduExcellence Schools**

*All inclusive*

**Standard Private School**

**Government Schools**

**Teacher to Child Ratio**

Teacher to child **ratio** has been proven to be a major contributing factor to a child's learning experience & success rate. We offer a ratio of 1:12.

**1:12**

Most registered private schools have a teacher-child ratio of 1:24 - smaller than that of a Government School.

**1:24**

Class sizes are governed by demand. Taio's can vary from school to school and district to district.

**1:32+**

**Child Centred**

Homelike environment in a very natural setting which is sensory sensitive and adapts to your child's specific needs. Our small setup provides a truly child-centered approach.

Smaller classes allow for the possibility the teacher being able to attend to most of the children.

Large classes make the child centered approach impossible.

**Balanced Meal Plan**

Our food policy and **inclusive Low Gi meals** (breakfast & lunch) provide the necessary nutrition to support growing bodies and brains.

Low Gi Breakfast

Low Gi Lunch

Controlled Lunchboxes Allowed

Low Gi Tuck-Shop

Some schools do have a food policy but may not provide a cost inclusive option.

No Breakfast

No Lunch

Uncontrolled Lunchboxes

Uncontrolled Tuck-Shop

Government funding of balanced meals not provided.

No Breakfast

No Lunch

Uncontrolled Lunchboxes

Uncontrolled Tuck-Shop

**Therapist Ratio**

The inclusive emotional support & the level of therapeutic assistance we provide is what differentiates us.

**Included**  
**1:50**

Therapeutic assistance is usually privately initiated with additional costs.

Not Guaranteed  
1: 800 - 1000

State-funded therapeutic assistance is governed by budget & may not address demand.

Not Guaranteed  
0 : 1000+

**EduExcellence  
Schools**

*All inclusive*

**Standard  
Private School**

**Government  
Schools**

**TheraEd Approach**

This one of a kind, unique approach is a major differentiating factor setting us apart from any other school. The TheraEd approach is fully integrated on our campuses and all our teachers are fully trained.

No TheraEd Approach.

No TheraEd Approach.

**iDevelop Activities**

Neuro-developmental Activities as per the child's specific iMap. These activities address general neuro-development, sensory and primitive reflex integration through specialised movements on a daily basis. Included in your school fees.

Usually privately initiated with additional costs.

Not Guaranteed

Department discretion.

Not Guaranteed

**Neuro-Cognitive Activities**

Neuro-Cognitive Activities as per the child's specific educational analysis, which address the underlying academic aspects needed for optimal learning on a daily basis. Included in your school fees.

Usually privately initiated with additional costs.

No Neuro-Cognitive Approach.

**Group Activities**

**Care Circles** promote social skills and emotional intelligence in a group.

**Sensory Play** for younger learners encourages learning through exploration. It helps to build nerve connections in the brain and encourages the development of language and motor skills.

**Art Therapy** for younger learners to explore and express their emotions, and improve symptoms of anxiety.

Therapeutic assistance is usually privately initiated with additional costs.

Not Guaranteed

State-funded therapeutic assistance is governed by budget & may not address demand.

**EduExcellence Schools**

*All inclusive*

**Standard Private School**

**Government Schools**

**Additional Activities**

**Orientation Weeks** at the start of each new term.

**Individual Sessions** for one-on-one support and guidance.

**Awareness Campaigns** surrounding relevant topics.

**De-Stress Days** to relax and release tension or stress.

**Study Skills Workshops** assist in finding the best study practices for your child.

**Parent Support Group** hosted by the Therapy Department.

Not Guaranteed

**Annual Activity**

The prevalence of Auditory Processing Difficulties is high amongst learners with academic challenges. We present **Auditory Integration Training (AIT)**

Usually privately initiated with additional costs.

**Skills Centres**

Specialized centres for learners with mild to moderate delays, focusing on helping each child develop their full potential by means of the **differentiated CAPS curriculum** and **ASDAN curriculum**.

Teacher to child ratio of 1:8 allows for even more individualised attention.

**FET Studio**

additional costs involved

A reimagined approach to the **FET Phase** with flexible hours and packages allowing adolescents to have the freedom and creativity to study in a way that works for them whilst still benefiting from our neuro-developmental approach.

Not Guaranteed

**Tutors**

additional costs involved

Personalised individual or small group tutoring available for existing students or external candidates.
